UX/UI Designer

I am seeking a position as a Junior UX/UI Designer. I have been changing my career path to the UX/UI design, as I am drawn to designing things that make sense and serve people. I believe I am effective as a UX/UI Designer because I prioritize functionality above all else, which is then complemented by aesthetics.

EDUCATION

User Experience and Product Design Postgraduate Studies 10.2022-07.2023

SWPS University of Social Sciences and Humanities

Landscape Architecture 2016-2021

Cracow Univeristy of Technology
